

## HEMANT KUMAR

PRODUCT OWNER | AGILE LEADER | CLOUD & DATA ANALYTICS

☎ +91 9902541498 | ✉ [hemant0625@gmail.com](mailto:hemant0625@gmail.com) | 🌐 LinkedIn: hemantkmr

---

### PROFILE

Results-driven **Product Owner** with **12+ years of experience** in **software development, Agile methodologies, cloud computing, and data analytics**. Expertise in **backlog management, user story creation, stakeholder engagement, and workflow optimization**. Adept at collaborating with **engineering teams, UX designers, and business leaders** to define, prioritize, and deliver high-impact products. Passionate about **technical innovation, problem-solving, and driving digital transformation**.

---

### SKILLS & EXPERTISE

- **Product Backlog Management & Agile Execution**
  - **User Story Definition & Acceptance Criteria**
  - **Cloud Computing (AWS, Azure) & Data Analytics**
  - **Technical Solutioning & Requirements Engineering**
  - **Stakeholder Collaboration & Business Strategy**
  - **Software Development Lifecycle & UX Design Integration**
  - **Sprint Planning, Refinement & Release Management**
  - **Process Optimization & Continuous Improvement**
  - **Tools:** JIRA, Confluence, AWS, GitHub, Rally, Power BI, Figma
  - **Programming Language:** C, C++, C#, Python, ST
- 

### PROFESSIONAL EXPERIENCE

#### 1. Senior Product Owner | Cloud (SaaS) & Data Analytics | Asset Intelligence

##### Rockwell Automation | May 2023 – Present

- Partner with **Product Managers, customers, and stakeholders** to refine and prioritize the product backlog.
- Define **user stories, acceptance criteria, and technical requirements** for engineering teams.
- Collaborate with **UX designers** to understand customer behavior and improve digital experiences.
- Lead **sprint planning, backlog refinement, and release management** to ensure smooth execution.

- Drive **cloud adoption and data analytics initiatives**, optimizing workflows and business insights.
- Conduct **customer and stakeholder interviews** to capture needs and enhance product offerings.
- Support **demo setups and sprint deliverables**, ensuring alignment with business goals.

## 2. Product Owner | Agile & Software Development | Digital Transport Intelligence

### GE Transportation (Wabtec Corp.) | April 2016 – May 2023

- Managed and prioritized the **product backlog**, ensuring clarity for engineering teams.
- Conducted **impact analysis and feasibility studies** for new feature development.
- Applied **requirements engineering techniques** to ensure comprehensive coverage of use cases.
- Worked with **Scrum Masters and PMOs** to align sprint objectives with business strategies.
- Led **customer engagement sessions** to validate features and enhance user experience.

## 3. Lead Engineer | Cloud & Data Engineering | Aviation Domain

### HCL Technologies | Feb 2015 – Feb 2016

- Automated and deployed **cloud-based solutions** to enhance scalability and performance.
- Created the Automation framework and automated the existing Manual tests using PYTHON.
- Automated end to end tests spanning the whole system from front end to the backend
- Creation of Test case script and execution on **Actual Hardware** to produce result data
- Performance Monitoring of Release Build.
- Creation of Post Procedure Script to validate the result data.

## 4. Software Engineer | Aviation Domain

### Honeywell Technologies & Cyient Ltd. | Dec 2012 – Feb 2015

- Built and optimized **enterprise applications** with a focus on **security and performance**.

- Assisted in **technical strategy planning and process automation**.
  - Unit testing of subsystems (White Box) using LDRA on C++ Code.
  - Software integration testing (White Box).
  - Preparing and Executing the Test procedures and test cases
  - Test status/ bug reporting using bug reporting tools(Clear Quest).
  - Code Review.
- 

## EDUCATION

**B.Tech in Applied Electronics & Instrumentation Engineering**  
**Post Graduate Diploma in Embedded and VLSI Design | C-DAC**

---

## CERTIFICATIONS

- **PSPO (Professional Scrum Product Owner)**
  - **Six Sigma Green Belt**
  - **Cloud Computing Basics**
  - **Software Security White & Yellow Belt**
  - **DevOps Foundation – Lean & Agile**
- 

## AWARDS & RECOGNITION

- **Product Leadership Excellence Award (GE Transportation & Wabtec Corp.)**
  - **First Impression Award (Rockwell Automation)**
  - **Above & Beyond Recognition (GE Transportation) – Four Times**
- 

## PERSONAL DETAILS

- **Languages:** English, Hindi, Kannada, Odia
  - **Nationality:** Indian
  - **Location:** Bangalore, India
  - **Passport:** Available
-
